

Young Audiences of Northeast Texas Artist Evaluation Form

We realize how valuable your time is. We want to always bring performers to your class who will enhance your teaching and expand the experiences of your students. To help us meet that goal, please take a few moments to complete this form.

All completed evaluation forms are entered into a random drawing to be held at the end of the year for a free program to be presented to the winning teacher's class!

GENERAL INFORMATION

Artist: _____ Program: _____
 School/location: _____ District: _____
